That's fine, it's a ballpark estimate.

Here's the info as best as I can come up with:

## Ex. 5 Deliberative Process (DP)

I'm really not trying to get out of anything, but I don't know how to derive a cost for these studies.

This is the first I've seen of the request below. Can you give me a ballpark estimate of PFAS time and \$ for FY18 and FY19 (separately)? Ron sent the request to some of the investigators involved but not all. If you have already responded to Ron please forward to me. Due by noon today!

Thanks  
John
